

LEGAL NOTICE

The Village of Oak Park—Office of the Village Engineer, 201 South Boulevard, Oak Park, Illinois 60302—will receive electronic proposals until **Thursday, May 25, 2023, at 10:00 A.M. for Project: 23-12, North and South Pumping Station Upgrades**. Bids will be received and accepted, and bid results posted via the online electronic bid service listed below. In general, the improvements consist of rehabilitation of the two-horizontal split-case pumps at each pumping station (four in total), replacement of the existing flexible couplings on each of the four pumps, modifications to the pipe of one pump at the North Pumping Station, removal of the limit switch on one check valve at the North pumping station and replacement of the switch with a flow switch, as well as miscellaneous items of work.

Plans and proposal forms may be obtained via the electronic service starting on **Thursday, May 4, 2023 at 10:00 A.M.**, which can be found at <https://www.oak-park.us/your-government/budget-purchasing/requests-proposals> or at www.questcdn.com under login using QuestCDN number 8503172 for a non-refundable charge of \$64.00. The Village of Oak Park reserves the right to issue plans and specifications to only those contractors deemed qualified. No plans will be issued to prospective bidders after 4:00 P.M. on the working day preceding the opening of bids.

A mandatory pre-Bid Meeting will take place at the South Pump Station located at 207 Garfield St, Oak Park, IL on Tuesday May 16, 2023 at 10:00 AM. The meeting will end at the North Pumping Station located at 1010 North Ridgeland Ave., Oak Park, IL. Attendance to the pre-Bid meeting is required in order to bid the project. Bids received from contractors who did not attend the pre-Bid meeting will be rejected.

The work to be performed pursuant to this Proposal is subject to the Illinois Prevailing Wage Act, 820 ILCS 130/0.01 et seq.

THE VILLAGE OF OAK PARK

Bill McKenna
Village Engineer
