The Farmers' Market is held from 7 a.m. to 1 p.m. Saturdays from May 20 to Oct. 28 at 460 Lake St.

Visit the Oak Park Farmers' Market!

The Oak Park Farmers' Market invites shoppers from Oak Park and the surrounding area to browse fresh fruits and vegetables, flowers, bedding plants, honey, cheese, frozen meat, bread and baked goods, brought to you by local farmers and producers.

Each week the Market features donuts made on-site. All vendors accept cash, and most accept credit, debit and LINK (processed at the Info Booth). Pets aren't allowed inside the market, and smoking is prohibited. Parking is available on most nearby streets during market hours – just keep an eye on posted parking regulations and restrictions. Visitors can also park in the Oak Park and River Forest High School High School garage on Scoville Avenue just west of the market for free.

Please do not hesitate to ask at the Info Booth if you have any questions. In addition, vendors are happy to tell you more about their farms, livestock and philosophy – just ask.

For more information, email farmersmarket@oak-park.us or call 708.358.5780. Thank you for supporting the market!
